

August 1, 2022

Dear Elko High School Booster:

On behalf of Elko High School, we would like to thank you for your continued support of Elko High School Athletics. It was a fantastic year for Elko High School athletics! Not only were we able to experience "regular" seasons, but we had several teams qualify for regional and state championships!

Elko High School boys soccer finished the season 2nd in the Northern Region and qualified for state. Our football team won the Northern Regional title and was defeated in the state semi final game. Boys basketball finished the regular season undefeated in league play and carried that into regionals and state. Our boys were finally able to capture that elusive state title for the first time since 1981 by beating Boulder City! Ironically, it was Boulder City that we defeated in 1981. Our wrestling team captured the regional title and narrowly defeated Spring Creek to capture their first state title since 1989!

As we move forward, I wanted to let you know that booster club money was used to purchase brand new soccer goals and nets and a remote for their scoreboard. Thanks to your support, boys and girls soccer won't have to deal with duct taping the goals or nets anymore.

Enclosed with this letter is a breakdown of the various levels available as a Booster Club Member. Each of these levels has a list of free gifts as a way of thanking you for your support. **Your name and/or business will also be listed in every sports program during the football and basketball seasons so everyone can recognize your generous dedication to your community.**

In closing, we wish to assure you that the Pride of Elko continues to thrive! The community of Elko and the Booster Club has always been there for our students. We thank you for your commitment as this would not be possible without you! We look forward to seeing you at one of our various athletic activities during the 2022-2023 seasons.

Sincerely,

Mauro Lobato
Athletic Administrator
